Case # 04-CR-966

Dear Judge Block, I am writing you today. Respectfully
Requesting that you correct a Grave mistake in my
~~Sentence~~. Furthermore, I am Requesting that this letter
Do not Get conscribed as a Second and Successive
2255, and Be taking as it is intended. A Letter For
Mercy and Justice.

Judge Block on June 3rd 2008. I plead guilty to
One Count of Racketeering in accordance with
18 USC 1962 (C). My Base offense Level was
19 For violation of 2E1.1. However Because my
Racketeering act was murder. They applied the
most analogous offense, 2A1.1 murder which placed
my Base offense level at Level 43.

I was then granted a 4 Level Reduction For minimal Role which should have Brought my offense level to a 39. I then plead guilty and recieved 3 levels For acceptance of Responsibility which should have landed my Final Guidelines Catagory III level 36, 235 - 293 months. I was Sentenced to the low level 11 x 12.1 to the level 13 for 241.1 Then the 4 levels For minimal Role was somehow Ignored? Not only was my 4 levels Ignored I was Enhanced 2 Levels For Grouping OF multiple counts, to a level 45. which is not even a Number on the Sentencing guidelines Chart!! Dispite Pleading Guilty to a Single Count Indicment?

I was then given 3 Levels For acceptance of Responsibility Bringing my level down to a 42 From a 45, instead of the level 36 you intended on when you granted me the 4 level Reduction For minimal Role.

Judge Block I have 15 years in Coustly and IF you correct this mistake, I would be Returning home to Father my Daughter who was Born one month after my Incarceration, and Care For my Elderly mother as well as Put my Diploma Degree to work with the youth in the Suburbs of Georgia - Far From new york

and the things, the people that got me in trouble in the first place. Also Judge Block, Alvin Smiley, Barry Broughton, Emanuel Mosley, and Clementte Jordan, were my co-defendants, whom you sentenced to time served in prison. Despite all of them pleading guilty to far more than my crimes then me. You stated in my sentencing transcripts that you believed I showed true contrition and deserved another chapter to my life.

You told the courts that if you was the Government you would have done thing different, then the Government did in this case. Your Honor if I may, level 3b category III Guidelines are ~~235-293~~ 235-293. If you sentenced me to the Low End as you did Nov 12 2009, I would have received 235 months, I have 175 months incarcerated to date, with my good conduct time and halfway house or home confinement I will be returning to my family the Summer of 2023. I will be able to attend my Daughters High School Graduation. As well as attend my Mother's 77 Birthday, as well as have spent over 200 months in Federal Prison paying for my crimes. I'm begging you Judge Block. Please correct my sentence. Respectfully. So I can get my life back on track as you intended.
